The Baker Building is an 83 unit residential apartment building located in the historic neighborhood of Lafayette in Jersey City. Just outside of Downtown Jersey City, but still reachable by foot or bike, Lafayette is the oldest neighborhood in Jersey City. This area is being rediscovered by artists, young professionals and long time Jersey City residents alike for its lower cost, proximity to mass transit and historic fabric. The Baker Building offers a lower cost, value option to those seeking a more affordable residence in the New York Metro area while still being in very close proximity to Downtown Jersey City and Manhattan.
